Higher Consciousness Workshop

Attendees will be presented with a clear understanding of the connection between our different states of consciousness. It's a great opportunity to learn and recognize our oneness with the Source and the Spirit Realm.

The workshop will progress into a Town Hall, sharing knowledge of Source insight, leaning towards connecting with ones' own higher consciousness.

There will be open discussion amongst all attendees. It's a great opportunity to learn and recognize our oneness with the spirit realm.

For your reservation for this workshop and all convention activities Call 585-328-8908 interpretation/reading on the back.
